The Ark Encounter, Creation Museum and Aquarium

Looking up at the massive structure and incredible workmanship of the hull is only the beginning of your encounter with the *Ark*. Historical accuracy and artistic excellence continues inside on three decks full of beautifully crafted teaching exhibits that will inspire you to think differently about the biblical account of Noah's Ark.

The history of the Bible vividly comes to life at the world-class *Creation Museum*. On your walk-through biblical history, you'll encounter a realistic Garden of Eden, animatronic Noah, Flood dioramas, stunning video displays, and much more. Prepare to believe!

Newport Aquarium showcases thousands of animals from around the world in a million gallons of water, including the enormously popular "Sweet Pea" and "Scooter," the stars of the first shark ray breeding program in the world.
